

HAMILTON PLASTICS EQUIPMENT, LLC

Quality Industrial Process Equipment

Representing in New England

James Finnance, Bob Lindsey
Brian Benoit, Mark Hamilton

Water & Oil Temperature Control Products

www.mokon.com

Mold Temperature Controllers, Chilled Water Units, Cooling Towers, Full Range (heat/cool), Pump Tanks

Injection Molding Machines

www.sumitomoPM.com

All-Electric, Hybrid, 2-Shot, Vertical Insert
General Purpose & High Performance to 2200 Tons

Automation for Injection Machines

www.seproamerica.com

Sprue & Parts Removal Pickers, Servo Robots,
Complete Guarding & Conveyor Workcells

Blending, Drying, & Loading Products

www.maguire.com

Weigh Scale Blending, Low Pressure Drying (LPD)
Color Feeders, Portable Loading Systems

Material Handling & Storage Products

www.imcs-inc.com

Gaylord Tilters & Dumpers
Silos, Screw Conveyors, Surge Bins, Batch Mixers

Production & Process Monitoring System

WWW.SOLARSOFT.COM

Real-Time Production, Process, Scrap, Downtime,
Materials, Scheduling, Labor Reporting / SPC & ERP

Complete Extrusion Lines with Integrated Control

www.bostonmatthews.com

Precision Extruders & Downstream Machinery
Medical & Cosmetic Bump Tubing, Profiles & Trim

Belted Conveyors & Container Filling

www.crizaf.com

Flat, Incline, Part Count & Weigh Filling
Runner Separation, Cooling & Box Indexing

Pelletizing & Reclaim Shredding Recycling

www.munchy.com

Pellet generation from reclaiming film, bags,
purgings, fabrics, tapes, ropes to 2500 lbs/hr

Hot Runner Temperature Controllers

www.fastheat.com

PULSE SERIES > Graphic Display, Multi-Zone with
Hot Swap Modularity, Thermocouple Protect, Mold IQ

Sterling Blower & Cyclone Recovery

www.sterlingblower.com

Cyclone Separators, EZ Hinge Blower, Dust & Fines
Collection, Edge Trim Recovery, Density Separation

Portable Drying Systems

www.autoload-inc.com

Stainless Steel, Insulated, Cart or Hopper Mount
6 to 300 lbs/hr Drying Hopper Sizes

Portable Loaders To 1,000 lbs/hr

www.autoload-inc.com

AutoLoad Jr, AutoLoad Pellet & Re grind Venturi
Clean Room, Fines Separation, Reinforced Loaders

Screenless, Slow Speed, Standard Granulators

www.auto-grind.com

Dust Free Screenless & Low Speed with Evac,
General Purpose - Integral Blower/Cyclone Evac

Contact us for your Injection, Extrusion, Automation & Auxiliary Equipment needs
