

HAMILTON PLASTICS EQUIPMENT, LLC

Quality Industrial Process Equipment

Representing in New England

www.hamiltonplasticsequipment.com

Water & Oil Temperature Control Products

www.mokon.com

Open/Closed Loop TCUs, Chillers, Puratherm TCUs
Hot Oil TCUs, Towers, Tanks, Full Range (heat/cool)

Blending, Drying, & Loading Products

www.maguire.com

Gravimetric Blending & Feeders, Ultra Dryers
Central Vacuum and Self Contained Loaders

Vertical Insert Molding Machines to 250 Tons

www.gluco.com

Rugged US Built & Serviced - Shuttle & Rotary
Medical/Automotive/Electronics - LSR, TP, TS

Injection Molding Machines To 500 Tons

email: sales@log-imm.com

Small to Midsize Servo Hydraulic & All Electric
Florida based - Demo Lab, Stock Machines, Service

Injection Molding Machines To 3,500 Tons

www.yizumi-hpm.com

Large Dual Platen, Servo Hydraulic, All Electric
Ohio Based - Demo Lab, Stock Machines, Parts

Pellet Loading Membrane & Desiccant

www.autoload-inc.com

Stainless, Portable, Self Contained, No Moving Parts
Ideal For Loading Dryers, Blender Hoppers, & Bins

Central Material Handling Bulk & Portable Storage

www.imcs-inc.com

Gaylord Tilters, Dumpers, Screw Conveyors
Silos, Surge Bins, Batch Mixers, In Plant Silos

Vibratory Feeders Mold Design & Build

www.qsiautomation.com

Upstream & Downstream Molding Cell Automation
Molding Machine Rebuild & Custom Machining

Granulators, Shredders Reclaim Solutions

www.Virtus-Equipment.com

Granulators, Shredders - Size Reduction Solutions
Applications Lab for Training and Machine Sizing

Sterling Blower Cyclones & Blowers

www.sterlingblower.com

Cyclone Separators, EZ Hinge Blower, Dust & Fines
Collection, Edge Trim Recovery, Density Separation

Belted Conveyors & Box Filling

www.EMlcorp.com

Flat, Incline, Part Count & Weigh Filling
Runner Separation, Cooling & Box Indexing

Automation for Molding Full Line: Pickers & Robots

www.hyrobotics.com

Digital AC Servo, Articulating, Collaborative Robots
Sprue Pickers, Double Arm, Side Entry, High Speed
